1952

Once again I am offering hand dug, hand cleaned and hand graded bulbs of top quality at prices as low or lower than those of last year. In these days of the fifty-cent dollar, gladiolus bulbs are the best buy in the world.

Unless otherwise noted after the description of a variety the price of all bulbs will be as follows:

Large 3 for .25, Medium 4 for .20, Small 10 for .20
Large 10 for .70, Medium 10 for .40, Small 10 for .20
Bulblets are .25 per package or \$1.00 per half pint

Where prices are given after the description of a variety the price of 10 will be 8 times the price of one, and 5 or more may be purchased at the 10 rate.

Excessive shipping charges make it impossible for us to accept orders for less than \$2.50. Please do not order any single item for less than 20c. Retail orders will be shipped prepaid. Wholesale prices are F. O. B., Rochester.

Varieties preceded by an asterisk (*) can be furnished by the 100 at 8 times the price of 10.
